

Epreuve 5 : XD T tro LOL !!!

This week Lucie got 100 text messages.

On Monday she got 11 texts. That's the only day she had as few as that.

Tuesday she got the same number of texts as on Wednesday and Thursday.

She got as many on Friday as Saturday but that was more than Thursday. On Sunday she got the most : 20 texts.

How many text messages did Lucie get each day ?
