

Epreuve 6 : Côte à côte

Here is a map of the USA. The numbers are the years that the state became a member of the United States.

Lucky Bill goes from the Atlantic coast to the Pacific travelling only across the states that are already members.

What is the earliest year he can do that ?

Légende

- The 13 founding states in 1776
- States that joined from 1790 to 1821
