

## Epreuve 7 : Face à la mer

Coralie, Théo, Yohan, Léa and Mahana are very lucky. Each one can see a sea or an ocean from the classroom window: the Mediterranean, the Indian ocean, the English Channel, the North Sea, the Atlantic ocean.

Also:

- Théo, Léa and Yohan cannot see an ocean
- Coralie lives on the island of Réunion ;
- Yohan and Mahana do not live beside the English Channel;
- Théo sees the same sea as his friends in the Netherlands.

**Which ocean or sea can each pupil see from their classroom ?**
