Riddle 4 : Land-sea

Sophie is playing a game where you put the pieces down on the board.

Here are the rules of the game:

- motorbikes have to be placed on the ground (green)
- boats have to be placed on the water (blue)
- the hot-air balloons can be over the ground or the water
- the pieces cannot be cut up or placed on top of one another.

Sophie has placed the pieces as shown to get a correct solution.

Stick the pieces given in the annexe onto the board to show another correct solution.
