

Challenge 6 : Piece rates

Nain Bleu and his cousin Fricotin wash the coaches of the lords and the ladies and get paid in gold pieces.

Nain Bleu gets paid double what Fricotin gets paid. But it is still less than 10 pieces per coach.

At the end of the day they have earned 42 pieces between them. Fricotin washed one coach fewer than Nain Bleu.

How many gold pieces does Nain Bleu get paid for washing one coach? Justify your answer.
