***Solution à rédiger en allemand, anglais, espagnol ou italien en un minimum de 30 mots.***

Once upon a time there was a beautiful princess who had three caskets: A, B and C. She had put her portrait into one of the caskets.
Anyone who wished to marry her had to find out which casket contained her portrait.
A sentence was written on each casket:

    Casket A: "The portrait is not here."
    Casket B: "The portrait is here."
    Casket C: "The portrait is not inside casket B."

***Only one of these three sentences is true. Find out which casket contains the portrait. Justify your answer.***
