

Epreuve 3 : Jeu de réussite

see Annexe

Sylvie puts 3 cards on the table : a king, a queen and a jack. The 3 cards are in 3 different suits : hearts, spades and diamonds.

Sylvie can see the cards laid out like this :

- On the left of the king is the spade;
- On the left of the queen is the jack;
- On the left of the heart is the jack;
- On the left of the spade is the diamond.

Stick the cards on your answer sheet to show what Sylvie sees.
